ELEVATED PRESCRIPTION DEPARTMENT.

This department is situated near the Bedford-street entrance and is elevated about ten feet from the floor. The very important point is gained of completely isolating the dispensing clerks from the annoyance and confusion unavoidable on the ground floor of any city drug store. This department, however, is in full view from the store, so that the clerks can be seen at work, yet cannot be talked to or interrupted. With this innovation, and increased facilities for filling orders for pure drugs, chemicals, and pharmaceutical preparations, we respectfully solicit a share of your patronage.

DRUGGISTS' SUNDRIES DEPARTMENT.

In this department we carry a select stock of Hair, Tooth, Nail, Hand, Shaving, and Infants' Brushes, Combs, Sponges, Hand Mirrors, Gold and Silver Capped Pungents, Lung Protectors, Hot-water Bags, Atomizers, Rubber Goods, Cologne Bottles, Rose Jars, and a complete line of French and English Perfumery.

PROPRIETARY MEDICINES.

We beg to announce that for the accommodation of our patrons we shall in future sell all American, English, German, and French PROPRIETARY MEDICINES and TOILET ARTICLES at prices as low as advertised by any house in Boston. We also guarantee that all such goods coming from us will be *genuine* and *fresh*.

THE BOSTON
Saturday Evening Gazette.

THE SOCIETY PAPER OF BOSTON.

THE BOSTON SATURDAY EVENING GAZETTE is peculiarly a Boston paper, and has been for three quarters of a century the leading family weekly journal of the city. Its circulation is among the most intelligent and influential class of readers. In the discussion of topics relating to

Literature, Politics, Art, Music, and the Drama,
Society, and the General Affairs of the Day,

It employs the best writers, and among these are gentlemen and ladies who are recognized as the first authorities in the specialties of which they treat.

An important feature is the publication of the sermons of the REV. H. PRICE COLLIER, of Brooklyn, N. Y., which are printed each week during nine months of the year, from the author's manuscript, and are believed to be among the ablest and the most widely read discourses that emanate from any liberal pulpit.

The GAZETTE is a special favorite with the ladies. Its "Out and About" columns contain a larger amount of matter of interest to this class than can be found in any weekly journal in the country, and have given it a reputation in Society Circles everywhere. The "Miss Meander Letters," the "Cui Bono" series of articles, and "Modern Society," written by an eminent man of letters, are among the many strong and popular specialties of the GAZETTE, and have from their first appearance enjoyed a constantly increasing favor. As a hotel paper, the GAZETTE stands second to none in extent and thoroughness of information. It is taken in clubs throughout the United States. In fact, as a **Society, Hotel, and Club Paper**, it is without a rival.

The GAZETTE gives close attention to local news, and is the only Sunday paper in Boston, except the "Herald" and "Globe," that has the advantage of the Associated Press telegraphic despatches.

As an advertising medium the advantages of the GAZETTE are obvious, and are widely appreciated. No journal has a more select and desirable advertising patronage; and by the Book Trade, the Hotels of the Country, the Dry Goods Trade, and in specialties in which the patronage of ladies is solicited, it is most of all sought.

The GAZETTE is owned by a corporation of most prominent Boston business men. Its officers are, President, Benj. F. Stevens; Treasurer, Henry G. Parker; Clerk, Wm. Baker; Directors, Benj. F. Stevens, Henry G. Parker, William T. Hart, David Nevins, Charles H. Taylor, John C. Wyman, Weston Lewis.

"One of the brightest and most enterprising papers in New England."—HARPER'S WEEKLY.

"THE BOSTON SATURDAY EVENING GAZETTE continues to be conducted with diligent enterprise, and to maintain its claims to the regard of its numerous friends by the diversity and ability manifested in its well-filled columns from week to week."—BOSTON TRANSCRIPT.

"THE BOSTON SATURDAY EVENING GAZETTE, which has seen the rise and fall of at least a score of newspapers in Boston, keeps on the even tenor of its way without a skip or a break. Its appearance is not suggestive of age, but of perpetual youth, and it holds its peculiar field without a rival."—BOSTON HERALD.

E. W. TYLER, Agent, - - 178 TREMONT STREET.

During my sojourn here I had frequent opportunities to make myself acquainted with the Knabe Pianos, and from fullest conviction I declare them to be the BEST INSTRUMENTS OF AMERICA. Should I return here for artistic purposes—which may be the case very soon—I shall most certainly use the pianos of this celebrated make. I give this testimonial with pleasure, voluntarily, and entirely UNSOLICITED for by the house of Knabe.

UNITED STATES WEATHER SIGNALS.

DISPLAYED IN BOSTON ON POST-OFFICE BUILDING.

WIND; DIRECTION AND VELOCITY SIGNALS.

A Cautionary Signal, a Yellow Flag with a White Centre, will indicate that the winds expected are not so severe but well found and sea-worthy vessels can meet them without great danger.

	Cautionary.	Storm.
A Dangerous Storm Signal, or when the winds are easterly (N. E. to S.) Temperature above freezing	28	33
(N.E. to S.) with freezing temperature	25	30
Or Westerly (N. to S.W.), with freezing temperature	28	33
(N. to S.W.) Temperature above freezing.	31	36

the Red Square Flag with Black Centre is raised.

At night a Red Light will indicate Easterly winds, and a Red and White Light Westerly winds.

Red Pennant above Cautionary Signal when Northeasterly winds are expected; and below for Southeasterly winds.

White Pennant above Cautionary Signal when Northwesterly winds are expected; and below for Southwesterly winds.

Information Signal. The "Information Signal" consists of a Yellow Pennant, of the same dimensions as the Red and White (Wind Direction Signals), and when displayed indicates that the local Observer has received information from the Central Office of a storm covering a limited area, dangerous only for vessels about to sail to certain points. The Signal serves as a notification to shipmasters that the necessary information will be given them upon application to the local Observer.

The Cold-wave Signal consists of a White Flag with Square Black Centre; when displayed, it means that the temperature will fall rapidly during the next twenty-four hours.

The United States Signal Office in Boston is located in the Post-Office Building, corner Milk and Devonshire Streets, and is open to visitors from 9 A.M. until 4 P.M.

CARD ETIQUETTE.

The Signification of Corners turned on Visiting Cards.

UPPER RIGHT CORNER — *Visit.*

UPPER LEFT CORNER — *Congratulations.*

LOWER RIGHT CORNER — *Adieu.*

LOWER LEFT CORNER — *Condolence.*

TURNING THE ENTIRE LEFT END — *A call on the family.*

R. S. V. P. (Répondez, s'il vous plait.) — *Please answer.*

P. P. C. (Pour prendre congé.) — *To take leave.*

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations. If no reply is requested and no regrets sent, it is understood the invitation is accepted.

"Party Calls" should be made within one week after date of the party.

Invitations in your own city should be sent by messenger, not by mail. Answers to such invitations should be similarly sent.

Letters or notes of invitation delivered by hand in the city are often marked E. V.— En Ville.

The custom is, for a lady about to be married, to enclose her card in an unsealed envelope, which the servant should deliver, the lady not leaving the carriage.

On gentlemen's visiting cards, "Mr." should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family, should enclose her visitor's card with her own, in the same envelope.

An invitation to dine should be answered on the day received.

On receipt of an "At Home" card, no reply is required.

A visiting card should always be left when attending an "At Home."

An invitation requesting your presence requires an answer.

ROBERT G. FITCH,	}	<i>Fire Commissioners.</i>
JOHN R. MURPHY,		
* RICHARD F. TOBIN,		

* Deceased.

BROWN S. FLANDERS, *Supt.*

August 8, 1890.

BOSTON FIRE-ALARM TELEGRAPH.

SPECIAL NOTICE.

The fact that an alarm-box is located near their residence, and where the key is kept, should be known to all persons; also the simple manner of giving an alarm in case of fire. The Board of Fire Commissioners recommend to all persons who may see this notice, that they make the necessary inquiries to enable them, in case of need, either to get the key, and give an alarm, or to direct others to do so. *Time* saved in this way may sometimes prevent a conflagration.

IN CASE OF FIRE, FOLLOW THESE DIRECTIONS:

Go to the nearest box to the fire.

A sign over each box gives location of keys.

Open the box; pull the hook all the way down ONCE and let go.

Wait *one full minute* for the sound of the bells.

Listen for the working of the machinery in box. If you do not hear it, pull again.

If then you hear no sound, go to the next nearest box. Repeat the same there; but do not touch any other box if the nearest one gives the alarm.

If it be a keyless door, turn the handle to right, and open the door; *when* open, pull hook as in other boxes.

After giving the alarm, remain a while, if *possible*, by the box, so as to direct the firemen to the fire.

SECOND ALARMS.— No person will give alarm for the same fire (after the first alarm has been given) without an order from an Engineer, or the officer in command; and the person so ordered will be *sure* to go to the *same box* from which the first alarm was given, and report the same to the Chief Engineer. *If, however*, a fire breaks out while another is burning in a different section of the city, a *second* alarm can be given by a Police Officer, without waiting for an order from an Engineer.

CAUTIONS TO PERSONS HOLDING SIGNAL KEYS.

1. Never open the box or touch the hook except in case of fire.
2. Never give an alarm for a fire seen at a distance.
3. Be reasonably sure there is a fire before giving an alarm.
4. Be sure your box is locked before leaving it.
5. Never let the key go out of your possession, except to some responsible person to give an alarm of fire, and be sure the key is returned.
6. *If you remove from your house, or place of business, return the key to the Fire Commissioners' Office without delay.*

Corticelli Wash Embroidery Silk.

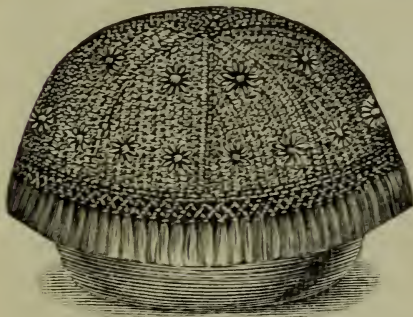

UNFADING DYES.

This is the best way to buy your Wash Silk. The spool keeps the silk clean, prevents shop-wear, and saves your time.

This is also the best size for most kinds of fancy work. Buyers should look for the size EE and the brand "Corticelli" on one end of the spool; on the other the words "Wash Silk—Fast Color" should appear. Enterprising dealers sell it.

FLORENCE HOME NEEDLEWORK.

The 1890 edition of this popular series is now ready. It contains 96 pages, instructing you in Crochet and Embroidery. Each subject fully illustrated. It makes a special feature of those Washable Crocheted Four-in-Hand Scarfs, which are the new thing for gentlemen and are also worn by ladies. They are made of Corticelli or Florence Knitting Silk.

This book will be mailed on receipt of six cents. Mention year to avoid confounding with previous editions.
